RALEIGH, N.C. – Monica Smiley, publisher and CEO of Enterprising Women magazine (www.enterprisingwomen.com), has announced the winners and finalists for the 2008 Enterprising Women of the Year Awards, an annual tribute to North America's top women entrepreneurs. The award winners and finalists will be recognized during a three-day tribute held in their honor from Feb. 28-March 1 at Disney's Grand Floridian Resort & Spa in Lake Buena Vista, FL. This is the sixth anniversary of the gala awards celebration. The Walt Disney World Company is the premiere event sponsor, with UPS serving as platinum event sponsor.

Award recipients must demonstrate that they have fast-growth businesses, mentor or actively support other women and girls involved in entrepreneurship, and stand out as leaders in their communities. Many of these women are also leaders in key organizations that support the growth of women's entrepreneurship.

Award winners were recognized in five categories: annual sales revenues of more than \$25 million; more than \$10 million and up to \$25 million in annual revenues; more than \$5 million and up to \$10 million in annual revenues; more than \$1 million and up to \$5 million in annual revenues; and up to \$1 million in annual revenues.
